Administrative Class 1: The claim of Counsel to the Committee of Unsecured Creditors.

Administrative Class 2: The claim of Counsel for the Debtor.

III. TREATMENT OF CLAIMS

A. UNIMPAIRED CLAIMS

Secured Class 1&2: The claims of SBFF/EDA-LTD and SPC/SPRC, & the Council, all related to equipment financing, will be paid in full over a five (5) year period in equal monthly installments out of a fund in the total amount of \$300,000.00 being created through payments by the Debtor of \$60,000.00 per year for five (5) years.

ADMINISTRATIVE CLAIMS

Administrative Class 1: This Claimant will be paid in full out of monies recovered in the Debtor's receivables collection lawsuits. This Claimant will receive twenty percent (20%) of the net funds received by the Debtor through litigation (after payment of attorneys fees in said

litigation) until paid in full. In the event litigation proceeds are insufficient to fund the payment of this claim, this Claimant will be paid out of the \$300,000.00 fund being created by the Debtor making payments of \$60,000.00 per year for five (5) years.

Administrative Class 2: This Claimant will be paid in full in accordance with his fee agreement with the Debtor. This Claimant will defer payment, however, until the other payments provided for in this Plan have been made. This Claimant may receive contingency fees in relation to services performed in the Debtor's receivables collection lawsuits. Said contingency fees, however, would be for new work performed and would be unrelated to this Claimant's claim herein. This Claimant's collection of contingency fees for new work performed will not be deferred.

Priority Claims

Priority Class 1: This claimant will be paid the full amount of its claim over a five (5) year period in equal monthly installments out of a fund in the total amount of \$300,000.00 being created through payments by the Debtor of \$60,000.00 per year for five (5) years.

Priority Class 2: The claims of these Claimants have been fully resolved pursuant to a settlement agreement between the Debtor and the United States Department of Labor. These claims have been satisfied pursuant to said settlement and no distribution will be made to these Claimants under this Plan.

B. IMPAIRED CLAIMS

Unsecured Claims

Unsecured Class 1: These claimants will be paid out of a fund in the amount of \$300,000.00 created by the Debtor making payments of \$60,000.00 per year for five (5) years into said fund. The first payment will be made on the effective date of the plan and yearly payments will continue each year thereafter. These claimants will receive a pro rata share of the remainder of said fund on a yearly basis after payment to Secured Classes 1 and 2, payment to Priority Class 1 and, if necessary, payment to Administrative Class 1. The payments into the fund will be made in care of Robert O Lampl who will serve as disbursing agent and will then make disbursement to the unsecured creditors.

EXECUTION OF THE PLAN

Funding for this Plan will be derived from the ongoing business operations of the Debtor as modified by the business changes being implemented by the Debtor which are set forth in the Amended Disclosure Statement filed by the Debtor. The Debtor will also generate funding through the pursuit of litigation to collect unpaid receivables and to collect on other claims which the Debtor may pursue. In the event that the collection litigation is successful, the Debtor will accelerate payments into the fund so as to shorten the disbursement period for creditors. The Debtor is currently operating without any financing and will continue to try to generate as much of its operating income as

possible. The debtor will also endeavor to create operating partnerships with existing facilities, and to broker those services it currently isn't equipped to manufacture. The company plans to rebuild its vault and asset management services to the Media industry, as well as to continue its efforts to do more of its marketing over the internet, with smaller clients.

EXECUTORY AGREEMENTS AND LEASES

The Debtor has numerous agreements with parties regarding the storage of film materials on its business premises and/or regarding services to be performed in regard to said film materials. The Debtor also leases its business premises. Any lease or executory agreement not previously rejected herein is hereby assumed.

CONTESTED CLAIMS

The Debtor specifically reserves the right to object to any claim, provided such objection is filed not later than forty-five (45) days after the Confirmation Date.

INSURANCE

The Debtor will maintain insurance with respect to his assets listing itself and any applicable secured creditor as loss-payee.

RETENTION OF JURISDICTION

The Court will retain jurisdiction of the Chapter 11 Case for the following purposes:

- a. To determine the allowance or disallowance of claims and interest(s);
- b. To determine any and all applications, objections, adversary proceedings and contested or litigated matters properly before the Court and pending on the Effective Date;

- c. To determine the merits of receivables collection cases and other litigation which the Debtor may pursue before the Court;
- d. To modify the Plan or remedy any defect or omission or reconcile any inconsistency in the Order of Confirmation to the extent authorized by the Code;
- e. To fix the allowances of compensation and other administrative expenses;
